END OF TERM 1 ASSEMBLY

Our End of Term 1 Assembly will be held on Friday 12 April at 1:30pm. All welcome.

If you wish to collect your child/children after the assembly, please notify the office either the day before or the morning of the assembly. This will help us with end of day arrangements.

MEDICATION AT SCHOOL

A reminder that the administering of prescribed medication (excludes asthma inhalers) at school requires the completion of an Administration of Prescribed Medication Authorisation form from the Doctor, Pharmacist or Practice Nurse. This form is available from the school and must also be signed by the Parent/Guardian.

Medication should be sent to school in the original packaging only, with instructions clearly visible. Administration instructions should be written on the medication container by the pharmacist at the medical practitioner's direction. All medication should be clearly labelled with the name of the child for whom it has been prescribed.

Details of all medical conditions are electronically recorded. It is important that parents inform us of any changes to their child's medical details or any new conditions so that our records are accurate.

Departmental guidelines prevent non-prescribed medications (such as analgesics and over-the-counter medications) being administered by teachers or other members of school staff unless direction is given by a parent or guardian. This can be done by completing Form A Administration of Medication Form (Parent/Guardian).
