LEADERSHIP GROUP REPORT

In week 8, our student leaders hosted an Easter competition with students having to guess how many eggs were in the jar. The winner of the challenge was Josh W. He won the whole jar which had 106 eggs inside of it. We successfully raised \$85 meaning there were 170 guesses. We also held an Easter dress up on March 28. You could dress up in an Easter theme or in colourful clothes. This event was free and we also had a game of kickball during lunch on this day.

During the school holidays some of our Student Leaders will represent the school at the ANZAC Day service.
