NEWSLETTER 2 MAY 2024

Welcome to Term Two!

Firstly, I would like to thank our staff, students, and families for an amazing start of term and for making me feel so welcome and part of the Ridgley Primary School Community. I feel very honoured to be Acting Principal this term, whilst Mrs J is having a well-deserved holiday. I am sure she will bring back many stories to share with us all.

The Teaching and Learning which I have witnessed at Ridgley, is brilliant and the staff are grateful for the support they received from you all and we thank you for allowing us to be part your families and trusting us to be part your child's education journey.

A very settled start to the term has ensured all students have been able to confidently set goals and begin the many learning programs that we offer here at Ridgley Primary School. I am pleased to report the start of term has been exceptionally positive with a significant focus on having all students well organised and ready for class lessons. All staff have very clear expectations that the students are in class on time with their equipment and are ready for learning and actively participating in their learning.

Whilst on morning duty, it has been very pleasing to see our students arriving each day with a smile on their face and ready to learn. It was great to hear all the wonderful things that our families did over the holidays.

As the weather has cooled it is essential that students have a school jumper to put on when heading outside to play and head home, please check in the Lost Property basket if your child has lost theirs. School beanies are also available from the school office. If you could remind your child to take off their shoes if they are muddy or wet when they enter the building and replace them with slippers that would be amazing. The removal of shoes will assist with this vital aspect of our daily work.

Our School Attendants are doing an amazing job keeping our facilities clean and hygienic.

Please don't hesitate to contact me to discuss your child's educational journey at Ridgley Primary school.

Stay safe everyone and remember to always choose kind!

Go Bombers!
